### MUCH INTEREST IN BASEBALL

STRONG TEAMS FORMED AT NAVY YARD AND BARRAN-CAS AND NEW GROUNDS BEING PREPARED.

A great deal of interest is being manifested in the game of baseball at present and a number of new nines have been formed recently, and are actively practicing for the coming season.

Lieutenant Andrews, of Ft. Barrancas, is organizing and equipping what will probably prove to be the strongest aggregation of players who ever represented Barrancas upon the diamond. He will act as coach for the team.

Captain Davis, of the Navy Yard, is also taking special interest in the team that will represent the yard during the coming season and has the men hard at work practicing. As there is considerable rivalry between the navy yard and Fort Barrancas some lively games may be expected.

THE SAD DEATH OF ROBERT M. CREIGHTON.

Robert M. Creighton, eldest son of Chapman L. Creighton, died at Perry Pass February 25, 1935. Born on August 30, 1884, he would have reached his majority on the same date of the current year.

This young man was remarkable for his many virtues. Of a splendid physique, he had in addition those other mental and moral requisites which are essential to the full rounded man.

Having known him intimately from his birth, the writer of this—his preceptor—noted with gratification that each transition of age from infancy to childhood, from puberty to manhood, gave promise that all the fond hopes of a successful life would be verified.

On February 18, 1935—just five weeks prior to his sad demise, the writer united him in marriage to Miss Alice Merritt—the second daughter of Mr. D. M. Merritt of Olive, Fla.

Immediately after the ceremony he left for Mulat, Fla., where he had already secured a lucrative position as bookkeeper in the firm of S. Otis. Scarcely had he entered upon his duties before the grip claimed him and his young bride as victims.

Returning to the home of the groom's parents, young Creighton's sickness developed into that dread disease, meningitis.

All that love, attention and medical skill could do was employed to restore him without avail. On the beautiful Sabbath evening we laid him to rest to be awakened on the resurrection morn. The vast concourse of his friends and companions attested to the high appreciation in which he was held.

Our hearts go out in sympathy to the disconsolate young wife and bereaved relatives and commend them to that consolation which can come alone from the Father of Lights.

Uses Herpicide Successfully in Treating Syphilis of the Beard.

There was an extensive loss of beard with inflammation extending well down on the chin. The result of the application of Herpicide was most gratifying. The loss of beard ceased and a new growth of hair is now taking place over the once inflamed area. (Signed.) Melville E. O'Neill, M. D., "845 Howard St., "San Francisco, Cal."

Charles Murphy, of Jacksonville, midweight champion of the west, wants to meet the winner of the Eaton-Taylor wrestling bout, which is to be pulled off in this city on March 1, and has issued the following challenge:

Jacksonville, Fla., Feb. 23, 1935. Manager Opera House, Pensacola, Fla. Dear Sir—Having read a clipping in the Metropolis regarding the wrestling match between Ed. Taylor and "Kid" Eaton, which is to be in a star bout at the opera house, I wish to issue a challenge to the winner of the contest. Answer if satisfactory to both parties. Respectfully,

CHARLES MURPHY.

There is hardly a doubt but that the wrestlers to whom the challenge is issued will be only too glad to get a chance to win championship honors, and a match will probably be arranged soon after the bout scheduled for March 1.
